- ***Continued Discussion of Possible Exemptions***

Based on the results of the survey, members will continue their discussion of how to amend Colorado’s current definition of abuse and neglect by adding exemptions. They will draft language that will be used in the final report.

A memo outlining exemptions in other states’ statutes is available [HERE](#).

*\*To aid this conversation, the CPO has prepared research and informational memos regarding researched how states throughout the country have incorporated exclusions, requirements, or special considerations into their statutory definitions of abuse and neglect. It is important to note that the CPO is providing this information as an informational resource as Task Force members consider possible changes in Colorado. The curation of this information is not an endorsement of any particular policy, and the CPO neither endorses nor disapproves of the policies included below. Please take a moment to review the materials provided. The group will refer to them several times during the next couple of months.*
