	CHILD AND FAMILY SERVICES AGENCY Approved by: <u>Brenda Donald</u> Agency Director Date: <u>April 8, 2013</u>	REVISION HISTORY: June 6, 2007
LATEST REVISION: March 19, 2013	EFFECTIVE DATE: April 8, 2013	

I. AUTHORITY	The Director of Child and Family Services Agency (CFSA, or Agency) adopts this policy to be consistent with the Agency's mission and all applicable federal and District of Columbia laws, rules, and regulations, including the federal Child Abuse Prevention and Treatment Act and its implementing regulations, as well as the applicable provisions of Title 4 (Chapter 13) and Title 16 (Chapter 23) of the DC Code, and the <i>LaShawn A. v. Gray</i> Implementation and Exit Plan. <i>This policy supersedes the Missing Children Policy dated June 6, 2007.</i>
II. APPLICABILITY	All CFSA and contracted agency staff.
III. RATIONALE	Studies indicate that children who enter the child welfare system may be more prone to run away or be otherwise missing than those who are not in care. As a result, the child welfare community works to prevent the circumstances that may lead to children running away or being otherwise missing. Such efforts, however, are not always successful. CFSA must have clearly outlined reporting procedures as well as access to resources that can assist in locating children who are missing or who have absconded. Timing is also an important factor because missing/absconded children are at great risk of victimization, exploitation, injury, and even death.
IV. POLICY	It is CFSA's policy to establish requirements and provide instructions for the Agency and contracted agency staff to respond when children who are involved with CFSA are reported or believed to be missing/absconded. It is further the policy of CFSA that when a child is missing/absconded, the resource provider and assigned social worker shall notify the individuals, agencies, and organizations described in the procedures provided in this document. Immediate notification to the law enforcement agency in the jurisdiction in which the child is placed (hereafter referred to as the local law enforcement agency) and the CFSA Absconder Unit is mandatory and critical. The Absconder Unit shall support the social workers' efforts to locate and return the child. CFSA has developed this policy to provide social workers and resource providers with guidelines for responding to reports of missing/absconded children. For purposes of this policy, the term "child" includes both infants and youth, as applicable.
